PROFILE

Award-winning creative director, copywriter and video producer who finds the strategy, writes the line, runs the shoot and cuts the spot. Two National ADDY Awards, a National ADDY Finalist and dozens of local and regional ADDYs. Deep experience leading agency and in-house teams for national consumer brands, healthcare systems, B2B technology companies and mission-driven organizations. An early adopter of every wave, now using AI tools to move faster and keep crews and budgets lean.

Available now: full-time, fractional or contract. Remote (US and global); on-site or hybrid considered.

SELECTED RESULTS

- **Toledo Zoo, “Memories Shared Daily.”** 360-degree campaign (TV, radio, pre-roll, print, outdoor, social) lifted attendance 23% and passed one million visitors for the first time in a decade.
- **“Bad Things Happen.”** Six-spot integrated campaign for an Ohio copier and printer company, produced for about \$100,000. 2016 National ADDY Finalist and 5th District ADDY Gold, Best Regional/National TV Campaign.
- **Amcor, “The Museum Cases.”** National Gold ADDY direct mail: museum cases of Snapple's packaging history with produced audio, hand-delivered across the country. Amcor got its meeting with Snapple.
- **Gerber Technology, “Reach Your Optimum.”** Global repositioning and tagline for a hardware and software company serving 100 of the Fortune 500, built out into website, trade print, exhibits, direct mail and 3D video.
- **The Lighting Store Without A Name.** Naming and launch campaign for a new retail concept; the store doubled its sales projections and expanded to three locations.
